

PAR Platinum Plus Certified Program

OVERVIEW:

The **PAR Platinum Plus Certified** program is designed to enhance buyer confidence by offering premium, reconditioned vehicles that are eligible for a 7-day drive-train guarantee. Vehicles with properly repaired and announced unibody or frame conditions should also be considered for the **PAR Platinum Plus Certified** program, as long as the necessary mechanical guidelines are met. Vehicles are not excluded due to mileage or model year.

PAR PLATINUM PLUS CERTIFIED PARAMETERS:

- + Eligible vehicles meeting the requirements for the **PAR Platinum Plus Certified** program and exceeding **\$400** in total repair costs must have a unique approval code from the assigned PAR Reconditioning Manager prior to performing repairs.
- + Vehicles not eligible for the **PAR Platinum Plus Certified** program and exceeding **\$250** in repair costs must have a unique approval code from the assigned PAR Reconditioning Manager prior to performing repairs.
- + Sale, detail and **PAR Platinum Plus Certified** program fees are not included in the respective limits.
- + Re-manufactured mechanical parts should be considered as an alternative to OEM parts.
- + After-market body parts are favored when available from preferred vendors.
- + Vehicles arriving with missing wheels or wheel covers should have acceptable replacements installed.
- + Full details should be performed on all vehicles that can be driven through the lanes.
- + Repairs performed without proper authorization will be rejected and not absorbed by PAR.

THE PLATINUM PLEDGE:

- + Engine tested to ensure OEM compliance
- + Drive Train, including differential, operational
- + Brakes inspected, tested and functional
- + Exhaust system present and functional
- + Glass intact-no cracks, chips or stars
- + Tire treads above wear bars and in good condition
- + Steering inspected, tested and functional
- + Lights, wipers and wheels are intact and functional
- + Title clear of discrepancies
- + Mileage clear of discrepancies

ARBITRATIONS:

Arbitrations are expected to be minimal under the **PAR Platinum Plus Certified** program. Mechanical arbitrations that occur within the 7-day arbitration period will either be repaired or resold "as-is". The responsibility for the repair cost or the difference between the original selling price and the resale price will be split evenly between PAR and the auction. Frame or unibody arbitrations will be reviewed on a case by case basis.

PAR PLATINUM PLUS CERTIFIED PROGRAM FEE:

All **PAR Platinum Plus Certified** vehicles inspected, regardless of outcome, will incur a \$50 flat fee. The fee will also include an oil change.
